

Third Grade Summer Reading

Summer 2024

Students in 3rd Grade will be expected to read independently for 25 to 30 minutes. Help your child maintain their reading stamina and stay on track for September by reading all summer long! Keep a record of the books read over the summer in the attached reading log. **Please bring your summer reading log with you on the first of school.**

Have a great summer!
The 3rd Grade Team

TIPS:

- Show your child that reading is important- make it a priority!
- Set aside time each day to read
- Read to your child
- Ask your child to retell what they have read and to grow ideas about the characters (Think about character thoughts, actions and words.)
- Encourage your child to use text evidence to support their thinking
- Discuss the author's purpose or the lesson of the story
- Visit the Haworth Public Library <https://www.haworthlibrary.org/kids>
